choosing colours made easy

shopping list & colour selection

1

Collect inspirational images from magazines and websites, build a colour mood board, use the British Paints Colouriser™ to visualise your colour. Build your colour scheme using the British Paints® colour booklets or visit britishpaints.com.au and britishpaints.co.nz

2

Test your colour choice with *British Paints* colour chips or sample pots. This is the best way to accurately confirm how the colours will look in your space.

3

Choose your gloss level:

| | |
|------------|--|
| MATT | Low light reflection for an elegant finish |
| LOW SHEEN | Suitable for living areas and bedrooms |
| SEMI GLOSS | Medium gloss level that withstands frequent cleaning |
| GLOSS | Use to emphasise door and window trims |

4

Record the name/s of your chosen colour on the back of this card alongside your *British Paints* products. Purchase your paint and handy tools from the paint aisle. Get started with helpful hints and tips at britishpaints.com.au and britishpaints.co.nz.

plan

1. Test your British Paints® paint colour with colour chips or sample pots.
2. Choose your gloss level.
3. Calculate amount of paint you need using the *British Paints* Paint calculator.

prep

1. Protect flooring and furniture with drop cloths.
2. Clean all surfaces from dust, oils and grease. Mask windows, door, trims and fittings with painter's tape.
3. Check the surface preparation requirements on can.

paint

1. Mix paint thoroughly with a broad flat stirrer.
2. Choose your painting method: **Brush** where your roller can't reach – around windows, doors, trims, fittings and corners. **Roll** paint in a large zigzag W pattern working in sections.
3. Apply 2 coats ensuring the first coat is completely dry. Check instructions on can.
